

Public Forum

80 Manorhaven Blvd.

Port Washington, NY

January 7, 2026

Opening remarks: Mayor Popeleski

Presentation: D&B Engineers – Matt Ferraro

Presentation: Village Attorney Chris Neuman

Public Comment:

Please make note of the following procedures for Public Forum:

- The Board of Trustees will hold the regular monthly work session prior to the Public Forum
- Speakers will need to sign in on provided sign-in sheet, this is to keep an orderly list
- The sign-in sheet will be collected immediately at the conclusion of the Work Session and no further speakers will be signed in after collection
- **It is respectfully suggested that all speakers keep their remarks to a one-time 3-minute timeframe so that all have an opportunity to speak**
- This is not a question-and-answer session, your comments and suggestions will be a part of the framework for a Master Plan for the entire Village!
